Enter Your Project in the 2013 National Reuse Contest

Have you recently finished a project using reused, recycled, or repurposed building materials, or plan to in the near future? Submit your project to The Stock Pile for a chance to win a national or local prize!

The last date to submit projects is August 31, 2013.

Here's how it works: submit your project to The Stock Pile. The Stock Pile will be holding its own contest with prizes for first, second, and third place winners.

Your project will be automatically entered in the national contest for a chance to win additional prizes. The Reuse People of America will select national first, second, and third place winners from the winners. The top three national winners will receive gift cards redeemable for merchandise at their sponsoring store -- \$1000, \$500 or \$250 for first, second and third place, respectively.

Reuse Contest Rules:

- Entry must be submitted to local participating stores between April 1, 2013 and August 31, 2013
- The project must have been completed within the last 12 months
- Four before and after photos must accompany the submission
- A 250-word description of the project and materials used must also accompany the submission

Enter your project soon!
